DESIGN CONTEST WINNER

The Sheridan Sesquicentennial Committee recently held a design contest for a banner motif to be used on Main Street lamp poles as part of the sesquicentennial celebration this summer. The committee is pleased to announce that Tracy Trettin submitted the winning design and is the recipient of the \$100 prize.

Tracy lives in Noblesville and heard about the contest through her work at PowerMail here in Sheridan where she is employed as a graphic designer. She has a degree in graphic design from North Central Technical College in Wausau, Wisconsin. Originally from Antigo, Wisconsin, Tracy and her family moved to Indiana when her husband took a job with ComCast. She is the mother of two young boys, 14 and 10 years old. Congratulations, Tracy!

In addition to the banner contest, Sheridan residents are busy planning a series of events for the public to enjoy as a part of the town's upcoming 150th birthday celebration this summer. Beginning on Friday evening, June 25 and culminating on July 4th, there will be multiple activities for residents and visitors each day. The list of daily events and other sesquicentennial information is available at www.sheridan150.org/.

The Sesquicentennial Commemorative Book is currently on sale for \$25 at various venues in Sheridan including the Chamber of Commerce office and the Sheridan Historical Society. The book will also be available for sale at various community event venues from now through the duration of the sesquicentennial celebration.

For those still interested in purchasing a sesquicentennial calendar package, they are still available at the Sheridan Public Library for \$12. The Sheridan Public Library is located at 103 West First Street in beautiful uptown Sheridan, on the country side of Hamilton County. Library hours are Monday through Thursday 10 am to 7 pm, Friday 10 am to 5:30 pm and Saturday 9 am to noon.
